ORDER DENYING INTERVENOR'S MOTION TO REOPEN AND  
GRANTING PETITIONER'S MOTION TO REOPEN

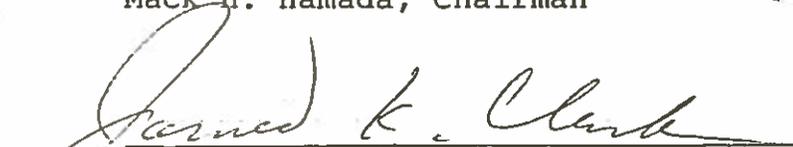

The hearing in the instant case was concluded on February 8, 1977. On February 18, 1977, the attorney for Intervenor filed a Motion to Reopen for Introduction of Evidence. Said motion is denied at this time. However, if Intervenor will provide in writing, with reasonable particularity, a showing as to what evidence he seeks to introduce upon reopening, this Board will consider granting his motion to reopen. The deadline for providing this information is 4:30 p.m., Friday, March 18, 1977.

At the hearing upon the aforesaid motion on March 7, 1977, the attorney for the Petitioner HGEA requested that this case be reopened solely to permit the admission of evidence on the 10 cents per month increase of per capita dues of the State Federation of Labor which evidence he inadvertently failed to introduce. This request is granted.

Notice of the date of the hearing upon reopening  
will be sent to the parties.
